**SCOUTING REPORT ON NATE FLOWERS:** Nate Flowers is a high energy player. He is an excellent defensive rebounder. Nate has a great post up game and uses his body well around the basket. He is also left handed which makes him very difficult to defend, a double team is often needed to defend him. With the ability to knock down 15-18 foot jump shots consistently Nate often causes mismatches with taller players bringing them away from the basket and vs. smaller players he uses his strength to score around the basket efficiently. Nate is an All-Conference player and would be a great addition to a club.
