SCOUTING REPORT ON PAUL WOLF: Paul Wolf is a very physically strong 6'9" 245 lb Power Forward/Center who can shoot from the three point line, but also enjoys posting up and playing inside. Likes to play pick and pop. Very Strong on the boards at both ends of the court. Uses his feet well to get good positioning under the basket. Can easily step back and shoot the mid-range shot and also has excellent shooting range back to the NBA 3-point line. Works hard to improve his game on a daily basis. Paul is the type of player that helps to improve everyone around him but can also be the dominant player in the game when appropriate.
