### Letter of Recommendation: Regarding Teirance K. Wright

To Whom It May Concern:

T.K. Wright was the first athlete to graduate from Ecclesia College last year. He was one of my first commitments when we began the program in the 2006-2007 season. For two years, T.K. provided **leadership and stability to our young program**. T.K. was a **team captain** for us for both **his junior and senior seasons**. As an upperclassman, **he set an example for our younger players in how he conducted himself both on and off the playing floor**. Because of players like T.K., our basketball program is now nationally respected and competitive.

T.K. is **responsible and reliable off the floor**. He is a **man of his word**. You can be **confident that T.K. would conduct himself in a positive manner as a member of any team or organization**. He knows how to be a **good teammate**.

T.K. is also **very good working with children and young players**. He played an **important role in our summer basketball camps and basketball clinics during the school year**.

Please feel free to contact me with any questions about my relationship with T.K. I would be glad to talk with you any time at my contact information found below.

Thank you for your time.
